

If your child exhibits any of the following symptoms, out of consideration for others, **PLEASE DO NOT LEAVE YOUR CHILD WITH US.**

- ◆ **Fever**
- ◆ **Vomiting**
- ◆ **Diarrhea**
- ◆ **Eye Infections**
- ◆ **Skin Infections**
(Boils, Ringworm, Impetigo)
- ◆ **Head lice**
- ◆ **Common Cold**
- ◆ **Unexplained Rash**
- ◆ **Sore Throat**
- ◆ **Any Symptoms of childhood diseases**
(Scarlet Fever, German Measles, Mumps, Chicken Pox, etc.)

According to the National Academy of Pediatrics, a child who has exhibited any of these symptoms listed above within a previous 24 hour period is possibly contagious and should not be in a group setting.

Thank you for your cooperation and understanding
